Dear to All

FIR NO. 242/2010/15-12-2010
received on 17-01-2011

15/11 January 2011
90 February

I received a copy of FIR lodged on 15/12/2010 at Andheri W Police Station under various sections, hence my reply today clarify that Mr Kapashi who was unauthorised person to taken by the estate company M/s Fazalbai Ibrahim & Co as we failed to pay Poly Loss Loan taken hence he entered into our property and since then Mr Kapashi occupied our property near to Ghossein. The owner Mr Romzanali Shauq Lakotani has only one daughter by name Mrs Khadunisha and she married to Mr Kamaluddin and they have 3 children name ① Raza Shauq ② Shiraz Kamal ③ Mansoor Kamal and their legal heirs claiming their property through Court of law which is all about legal and their rights. I am the constituted power of Attorney for this 3 legal heirs and acting on behalf of them in the High Court matter. Mr Kapashi has filed Criminal Petition in the Mumbai High Court on 05/07/2010 "Mumbai Bench Day" without our notice. Also again he has lodged this complaint with the Andheri W Police Station. I want to attract your attention that the matter is subjudice & pending in the Mumbai High Court. Mr Kapashi has to produce the authentic documents how he became the owner of this huge property of 12000 sqds costing today's market value 1000 Crores. In my opinion let the honorable Mumbai High Court decide who is the real owner of the property. The case is on board 230/2010. If I wish I could have lodged nearly 11 Criminal Complaints against Mr Kapashi & Co but I don't desire to harass let the national judgement award from the Court of law in the legal battle. List of my 3 property on Internet is enclosed along with the Hon executive judges to whom any matter was heard also enclosed regards. *Calypso* A.F. Shauq
